## About the Global Water Awards

The Global Water Awards, organised annually by **Global Water Intelligence**, recognise the most significant achievements in the international water industry. The **Utility of the Year** award honours utilities that have demonstrated outstanding performance, innovation, and commitment to excellence. Being shortlisted from hundreds of global nominees places WASA Lahore among the world's most admired water utilities.

## WASA Lahore's Achievement

WASA Lahore is honoured to have been **shortlisted for the Utility of the Year Award** at the Global Water Awards 2026 and to have **secured 3rd position** among leading water utilities worldwide. This milestone reflects years of strategic investment, institutional reform, and an unwavering commitment to serving the citizens of Lahore with safe, reliable water and sanitation services.

## Our Commitment

This recognition reinforces WASA Lahore's dedication to **innovation, sustainability, and building a resilient future** for the citizens of Lahore. We remain steadfast in our mission to provide equitable access to clean water and effective sanitation, driven by a culture of continuous improvement and accountability.
